We will explore different web sites and a photo program during the 3 day camp. Here are a few of the activities.

INTERNET SAFETY - Learn how to be safe on the internet.

GO WILD - Design your own human self, then choose your favorite WILD animal parts.

PHOTO FUN - Morph yourself in a fun photo morphing program.

ROBOT - Create your own robot.

MUSIC MAKER - Have some fun making music with a variety of instruments, then listen to your creation.

SKETCH PAD - Drawing and coloring with various tools.

PAINTING - Paint a picture and print it out.

Crafts : Make a picture frame out of pasta if we have time.

## EVERYONE WILL ...

- get printouts from activities
- keep internet safety tips
  - have a snack
- receive a Cougar Camp certificate
